FYI - Message to Parents

Good Morning,

Fulton County Schools sent out notification of make-up days yesterday. For clarification, students will not have school on Monday February 19, Friday March 9, and Spring Break April 2-6 as of this moment. On Friday March 9, 2018, we will do our best to participate in the digital learning day, but we do not have one-to-one devices like Fulton County Schools. Our teachers will provide assignments for students on March 9.

The flu is upon us at Hapeville Charter Career Academy as many students and now teachers have fallen ill to influenza. Here are some tips to remember:

- **Stay home when you are sick.** If possible, stay home from work, school, and errands when you are sick. You will help prevent others from catching your illness. Avoid close contact with people who are sick.
- **Avoid touching your eyes, nose, or mouth.** Germs spread this way.
- **Clean and disinfect surfaces or objects.** Clean and disinfect frequently touched surfaces at home, work or school, especially when someone is ill.

More information about the flu can be found at <https://www.cdc.gov/flu/index.htm> and <https://www.cdc.gov/flu/pdf/freeresources/updated/everyday-preventive-actions-8.5x11.pdf>
