Good Evening Parents and Guardians,

I hope that everyone is doing well this evening. On Friday, the faculty and staff of HCCA met to establish our expectations during this closure from all stakeholders. Each week, I will email to you the assignments for the week. Teachers will be available daily from 10:00 am to 3:00 pm to assist students from home. We will all be working from home

Please review the attachment for assignments. We ask that you please make sure that your student receives the information and we also ask that you make sure that other parents and guardians are aware of this process. We are aware that parents and students have blocked our phone number and our email.

Effective Monday, March 16, 2020, we are putting in place two substantial program enhancements to help these families deal with this crisis. [Click here for all details.](#)

- We will make it even easier for low-income families who live in a Comcast service area to sign up by offering **new customers 60 days of complimentary Internet Essentials service**, which is normally available to all qualified low-income households for \$9.95/month.
- Also, we are **increasing Internet speeds for the Internet Essentials service from 15/2 Mbps to 25/3 Mbps** for all new and existing customers, which will be the speed of the service going forward. In this way, we will ensure that Internet Essentials customers will be able to use their Internet service for all their increased needs as a result of this health crisis.
