

5/12/20

Good Evening,

As a reminder, we have two more days of final exams and assessments.

The last day to submit assignments and assessments for the 2019-2020 school year is Thursday May 21, 2020. Students have the opportunity to make-up assignments from first semester AND second semester. Students will receive a grade of incomplete for all assignments not submitted after March 13. Students do not and will not automatically pass due to the COVID-19 closure.

Summer school will be completely virtual and we will not provide packets during the summer. We are asking all students who failed a course last semester, are in danger of failing a course this semester, and who are danger of earning an incomplete to take advantage of Hornet Academic Challenge.

All assignments can be found here:
