

7/15/20

Good Morning,

I hope that all is well.

**If students are planning to attend Hapeville Charter Career Academy, students do not need to enroll in virtual with Fulton County Schools.**

If students are enrolling virtually with Fulton County Schools, students will not be enrolled at Hapeville Charter Career Academy.

The Fulton County Schools virtual option is only for students enrolled in Fulton County Schools and not Hapeville Charter Schools. We are providing our own virtual option.

**No action is required at this time unless you are withdrawing from Hapeville Charter Career Academy.** If you are withdrawing from HCCA, please contact Mrs. Orgertrice at [sorgertrice@hapevillecharter.org](mailto:sorgertrice@hapevillecharter.org).

Additional information is forthcoming and I appreciate your patience. I will send out a link for virtual or hybrid and our plan in the coming week. We are all nervous and anxious and I hope that we all continue to stay safe.

Mrs. Bethea
