

Asynchronous Wednesdays Beginning January 13, 2021

Purpose: Time allotted to help students achieve academic success. A day for teachers to have weekly PLCs, update their gradebooks, and have parent-teacher conferences.

Structure of Session:

- Re-Teach/Mini lesson
- One-on-One conferences
- Assignments given to each student that would have class on Wednesday through google classroom or an online platform.
- Assignments should not take more than 30 minutes to complete.
- Assignments are due by the end of the day each Wednesday at 2:30PM.
- Attendance is based on submission of assignments.
- Have a sign-in link for students using Google Forms.
- Test Corrections

Incentives for participating:

- Add points (extra-credit) to low grades
- Add points (extra-credit) to passing grades
- Ability to retake an assessment and replace the low grade (must attend the reteaching session)
- Make-up missing assignments without penalty

Measurables:

- Participation/Attendance record
- # of missing assignments compared to 1st semester
- Class grade averages compared to 1st semester grade average
