

June 25, 2020

Good Morning,

All student athletes are required to have a DragonFly account and to complete each of **the seven attached forms**. The FCS athletic handbook is attached as well.

All student athletes must have a valid physical on file in addition to the other six forms. Each page of every form must be uploaded to DragonFly. Please read below.

Dragon Fly

All coaches and athletes must use Dragon Fly for the 2020-2021 school year.

The link to Dragonfly is <http://dragonflymax.com/forms/ZMTT28> and our school code is ZMTT28. If you do not have an account, please create an account. All athletes and coaches need to log in to Dragonfly and review the requirements.

However, if you cannot upload your physical and other documents properly, please give a copy of all paperwork to the coaches so that we can upload the documents.

Thanks,

Mrs. Bethea
