

December 2, 2015

Good Day –

We cordially invite your students and parents to attend our Math and Science Magnet Night on Thursday, December 10<sup>th</sup> from 6:30 AM – 8:30 AM. This is a great opportunity for those families interested in the North Springs Math and Science Magnet Program. Please share the information below with your school communities via your website, weekly on-line newsletter, daily announcements, counseling offices and social media. Thank you.

**Felicia Holt Lewis**  
**Magnet Coordinator**  
**Senior Class Advisor**  
**Counseling Department**  
**North Springs High School**

**Math and Science Magnet**

North Springs Charter High School  
**Math & Science Magnet Night**  
Thursday, December 10, 2015  
6:30 p.m. -8:30 p.m.

**Explore! Experience! Experiment!**

You're invited to Math & Science Magnet Night at North Springs Charter High School - a cool, hands-on showcase of our classes and math & science clubs and activities.

Join us at 6:30 p.m. in the theater before rotating through your choice of 5 interactive math and science stations.

Meet our faculty, department chairs, booster parents and students and see why the magnet program rocks in Sparta!

**Please RSVP by December 7th to [magnetschs@gmail.com](mailto:magnetschs@gmail.com)**
