**Re: Art Calendar Contest**

To: All Fulton County School Art Teachers

We would like to invite your students to participate in the 2018 Art Calendar Contest, sponsored by the Fulton County Department of Public Works, Water Resources Division. Students are encouraged to create artwork promoting better habits for water quality and water conservation. The contest is open to Fulton County students, grades K-12, attending public, private, and charter schools, as well as home-school students. The goal of the Art Calendar Contest is to serve as a daily reminder of the significance of water in our lives.

From the submitted drawings, 13 will be selected and featured in our 2018 Art Calendar. One overall winner's artwork will be featured on the cover of the calendar, and 12 other winners will be featured as the monthly artists.

Students whose artwork is selected will receive a **gift certificate and five (5) copies** of the calendar to share with family and friends. The teacher of the Cover Winner will also receive a gift certificate and copies of the calendar. In addition, all winning students will be recognized at the Fulton County Board of Commissioners meeting on **Wednesday, December 20, 2017 at 10:00 a.m.** More details will be provided at a later date.

The deadline to submit all artwork is **Tuesday, October 10, 2017**. Please refer to the attached Art Calendar Contest guidelines for rules and submission requirements.

Please spread the word and encourage your students to participate. We look forward to another great year with some outstanding artwork.
