

8/11/20

Good Evening again,

Please have your student to check his/her Hapeville email account. Students use the Google Platform and Gmail.

1. www.gmail.com

2. Enter email address

Students can find their email address listed in Infinite Campus under family information (select more, then family information). Most email addresses are [firstinitiallastname@hcstudents.org](mailto:firstname.lastname@hcstudents.org) but this varies based on the popularity of names.

3. Enter password (student id number)

4. Any issues with email or devices? - support@hapevillecharter.org

Thanks again.
