Dear Candace,

All of your uploaded lists are now live on TeacherLists.com. Here is a link to your lists:

If you have not already created your website link, now's the time! At the top of your school page on TeacherLists.com, look for the "Link" button. This will allow you to choose an attractive banner to place on your website so your parents can find your lists. We've even done the coding for you! If you prefer to share via social media or email, simply click on the "Share" or "Email" buttons. For those options, we have [more detailed instructions](#). We automatically share your supply lists with our retail partners so your parents will be able to find them on Target's School List Assist, Walmart, Office Depot/Office Max, and more. If you run into a problem, let us know— we'll help you out. When parents and teachers connect, kids win!

Questions? We'd love to help; email us at tlsupport@teacherlists.com or call us at [800-644-3561 ext. 6](tel:800-644-3561).

Sincerely,

The TeacherLists Team
